

Simplifying Biblical Counseling: *Understanding the Easy Four Step Process for Counseling Success*

IABC Workshop - 2015

Class Objective:

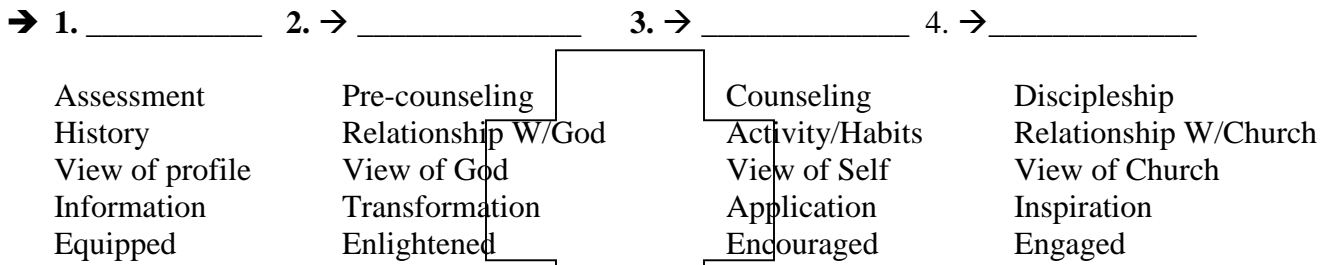

In this session you will learn the value of knowing exactly where you are in the counseling process and where you're going next. It will present a simple and easy process that you can apply in any and all counseling situations. This is a proof-positive way for the novice counselor or the experienced counselor alike to simplify the whole counseling experience.

The Levels of Counseling: (Typical philosophy of identifying the counseling dynamic)

SESSION NOTES:
